

CAYSA Announces New SII Registration Procedures

We are proud to announce the formation of the new CAYSA SII League. At the Governing Board Meeting held on June 3, 2008 it was decided by a unanimous vote of all the CAYSA Clubs in attendance that CAYSA would organize and administer a CAYSA SII League for the upcoming Fall 2008 season. With the creation of this league, the registration procedures have changed considerably. Please be sure that you read this information carefully and comply with the deadlines and procedures in order to ensure that your team is properly registered and eligible to participate in this competition.

For fall 2008, CAYSA will offer play in the Under-11 through Under-19 age groups for both boys and girls teams. The season will start on September 6th and age groups will conclude regular season play around November 16th.

Deadlines for participation in CAYSA SII League:

July 18th: For all U11 through U19 teams

Entry Fee: For all U11 through U19 teams is \$25.00 per team

Please make checks payable to CAYSA

IMPORTANT NOTE:

All completed entry form deadlines are "in hand" deadlines, so be sure to allow sufficient time for mail delivery.

Forms that are late, incomplete, or lacking required attachments will be returned.

On or before the stated deadline, each team interested in participating in this competition must submit to the CAYSA Office all of the following documents:

- ✓ A completed Entry Form (printed from the online scheduling system)
- ✓ A roster listing all players who will participate with the team during this competition. (This can be your spring 2008 roster marked with changes i.e. new players written in and players not returning crossed off.) However, this is not considered your final roster; rosters will not be frozen until a later date.
- ✓ Entry Fees or a letter from your club stating that they will be responsible for paying the fees for the competition

Online Entry Form

Each team that is participating in this competition must complete the appropriate online entry form. One person must be designated as the primary contact for the team and they must provide an email address. Any direct communication with the team will be with that person. Information will be posted at www.caysa.org so please check the website on a regular basis for updated information.

Eligibility Requirements:

- ✓ CAYSA SII League is an open competition. It is strongly recommended that only Super II teams and the top Division II teams enter this competition.
- ✓ New teams are eligible to enter this competition if they feel that they would be competitive with the existing SII teams.

Qualification Process

There is no qualification process to enter this competition for Fall 2008. However, we strongly recommend only Super II teams and the top Division II teams that participated in Presidents/Directors Cup enter. The CAYSA SII Vice President will determine the format of play/bracket sizes for the round robin season. The number of teams entered in each age group and the number of weekends available to play games will play a role in the decision-making process. Prior to the start of the Fall 2008 season, the number of teams that will be pre-qualified for the Fall 2009 CAYSA SII League and/or relegated to DII will be posted on the CAYSA website.
