**FALL SEASON PLANNING INFORMATION REQUESTED:**

In an effort to plan accordingly for the upcoming Fall 2010 season, we need to get a little information on what size/number of teams your club has decided to form. We do understand that this information was provided to us last seasonal year; however, clubs may have decided to form teams differently so we just want to make sure our information is up to date. This information will be used in order to plan for the upcoming CAYSA Rec+ League along with the CAYSA Fall Championships.

Please take a moment to fill out the following information and then place it in the clear bin at the back of the meeting room. If you don't know how many teams you will have you can just indicate the playing size by placing a "✓" mark in the appropriate box.

**Thank you!**
